

BUYING BUILDING AUTOMATION AND HVAC PARTS ONLINE?

pcceparts.com

Offering millions of parts from more than 120 of the industry's leading manufacturers.

Pittsburgh Controls & Consulting provides unparalleled selection, service, and more in the creation of pcceparts.com – an online shopping site for building automation controls and HVAC parts from more than 120 of the industry's leading manufacturers, and offering

over 100 million HVAC control components. We built pcceparts.com to move you one step closer to meeting your project and business goals, and we've worked with our partners to develop a customer-focused marketplace that delivers the very best experience in online

purchasing. Visit pcceparts.com today and register for an account to take advantage of preferred pricing and extended credit terms. We developed the site with you in mind, and we're confident that you'll see the benefits.

MARKETS

We offer a unique online purchasing solution for contractors, engineers, facility managers and building owners throughout southwestern Pennsylvania.

MANUFACTURERS

Over 120 industry-leading manufacturers*...and the list keeps growing every day.

*see back page for details

CUSTOMER SERVICE

Via email or over the phone, pcceparts.com service reps are here to make sure you get the best purchasing experience. We can assist with part selection, pricing quotes, site navigation and more.

PRODUCTS

From thermostats to sensors and everything in between, we offer more than 100 million HVAC control components for your upgrade, replacement or spare parts needs.

SEARCH TOOLS

However you prefer to search online – by product number, manufacturer, or keyword – you can find exactly what you need quickly, easily, and conveniently at pcceparts.com.

ACCOUNTING & REPORTING

View your entire order history online or just download an invoice from your last purchase. pcceparts.com gives you the information you need easier and faster.
